

ENVIRONMENTAL POLICY

3R QUEST, located in Rembau, Negeri Sembilan, is a scheduled waste management company operating since 2007.

3R QUEST is committed to prevention of pollution through reducing waste and resources and through inculcating awareness to all employees, clients and suppliers of our Mission Statement to **REDUCE * REUSE * RECYCLE**.

3R QUEST is committed to compliance to applicable legal and other requirements.

3R QUEST will ensure that all employees and other persons working for or on behalf of **3R QUEST** are aware of the Environmental Policy and, where appropriate, provide information, instruction and training to help us continually improve our environmental performance.

Our environmental philosophy is to embark on a

Quest & mission to promote
Understanding and
Encourage environmental
Sustainability through
Teaching

3R QUEST's Environmental Policy shall be made available upon request, through our website, e-media and regular briefing to all interested parties and clients.
